"HOC SIGNO FORTUNA."

BALTIMORE, WEDNESDAY, JUNE 9, 1819.

## Cathedral Church Lottery.

The superior advantages to the adventurer in this scheme, is daily shewn by the orders for tickets from all parts of the Union, thus also encreasing the general approbation of its arrangement, of this, however, we were satisfied on the onset; the consolidation of the *fifty dollar prizes into large capitals*, is one among the several novel attractions of the scheme—In fine, in a pecuniary point of view, no lottery has ever been offered, possessing so many advantages—To present at one view, a *splendid exhibit*, the scheme will shew ONE HUNDRED AND TWENTY NINE CAPITALS, besides those of minor importance not inserted, such as 100's and 50's.

## THE DRAWING

will take place in the City of Baltimore on Wednesday the *First of September Next*,

under the superintendence of Gen. JAMES LLOYD, Gen. RICHARD K. HEATH and RICHARD FRISBY, Esq. Commissioners appointed by the Governor and Council of this State.

Tickets at the *original prices*, viz. whole Tickets \$40—Halves \$20—Quarters 10\$—Fifths 8\$—Eighths 5\$—Tenths 4\$—Sixteenths 2 50 to be had in the greatest variety of numbers at

COHEN'S OFFICES, BALTIMORE or NORFOLK.

ORDERS by mail (enclosing the cash or Prize Tickets) post paid, will meet the most prompt attention, addressed to either Office, directed to J. I. COHEN, JR.

## The Earliest Intelligence.

Adventures (individuals or companies) who purchase at either of COHEN'S OFFICES, tickets or shares in the CATHEDRAL LOTTERY, to the amount of One Hundred Dollars or upwards, will be furnished gratis, during the drawing, with the "LOTTERY REGISTER" which will contain the Managers' official list of prizes drawn each day.

## The Banks.

Since our last publication, there has been a suspension of Specie payments at the "City Bank of Baltimore," caused by circumstances of an extraordinary character. The result of an investigation of the affairs of the Institution now pending, will be given to the public as soon as completed; in the mean time, the Bank redeems in Specie, its notes of the denomination less than Five dollars.

In consequence of the stoppage of the *City Bank*, runs were made upon all the other Banks in Baltimore, but so prompt was every demand met in *Specie*, that public confidence was immediately and completely restored. Every Bank in Baltimore (except the *City Bank*) continues their operations with the same punctuality and honor as heretofore, and we are warranted in stating that they have not the most distant idea of suspending specie payments.

## HONOR TO THE BRAVE.

"On Friday last the Mayor of our city deposited

in the Shaft of the BATTLE MONUMENT the Book containing the names of the subscribers, who voluntarily contributed to the erection of this beautiful specimen of the taste and talents of Mr. Godefroy. We are pleased to observe that this work is rapidly progressing and probably will be nearly finished during the present season. The *basso relievo* figures, representing the death of GENERAL Ross, on the South side of the bottom of the shaft, and the representation of the bombardment of Fort M'Henry on the North side, merit the particular attention of our fellow citizens. They are finely executed by Mr. CAPPELANO, from admirable designs, furnished by Mr. Godefroy, whose ability and taste, have on this occasion been exerted with his usual success. We flatter ourselves that, when finished, the Battle Monument will be one of the most chaste and beautiful pieces of architecture in this country."

## RAPID TRAVELLING.

Passengers who arrived at New-York on Wednesday afternoon last, left Norfolk in Virginia on the Monday morning previous, performing their trip in the regular conveyances, viz. :—Left Norfolk on Monday morning at a quarter past 9 in the Steam-Boat Virginia, captain Ferguson; arrived in Baltimore at 5 the next morning; then took the daily Steam-Boat to Philadelphia via. Elkton and Wilmington; thence in Citizens' Coach to New-York, arriving on Wednesday afternoon at half past 4 o'clock—having performed the whole route in less than 56 hours!

## STEAM-SHIP SAVANNAH.

Captain Brown, of the schr. Union, who arrived at New-York on Thursday last, from Madeira, spoke on the 30th of May, latitude 38, 30, lon. 68, Steam-Ship Savannah, bound to Liverpool and St. Petersburg with all sail set, and machinery in motion.

ST. PETERSBURG, March 20.

The Government is fitting out 2 expeditions for scientific researches in remote seas. Each will consist of 2 ships, one of them is designed to make discoveries towards the North Pole. The commanders are not yet appointed, but such an eagerness to partake in them, prevails in the navy, that above 90 officers of the imperial fleet have applied to the Minister of Marine to be employed in these expeditions.

## NEW ESTABLISHMENT

## AND INTENDED REMOVAL.

In presenting the above Scheme, the Managers indulge the hope that they will not appeal in vain to the generosity of the public. The undertaking in which they are engaged, is one of great expense and labour; and when completed, the Church will form one amongst the most striking embellishments of this rising Metropolis. In this point of view, the Cathedral may be considered as a public improvement, and may rank at least equal, in Architectural decoration, to the most splendid in the Union. Whilst, therefore, the Managers rely with confidence on the zealous support of their fellow parishoners, and of their Catholic Brethren elsewhere, they earnestly recommend the Lottery to the liberal of all other denominations.
